INTRODUCTORY COMMENTS/TABLE OF CONTENTS

The application as originally filed contained a total of 20 claims and four sheets of drawings. Election of species (selecting a periscope version) amended claim 1, canceled claims 2-11, amended claim 12, canceled claims 13-20 and added a new claim, claim 21. Simultaneously, the drawings were reduced to two sheets and a Substitute Specification was submitted, in each case, restricting the disclosure to the elected periscope version. Accordingly, the claims currently under consideration are claims 1, 12 and 21. A complete claim listing is provided. Claims 1 and 12 are currently amended to better distinguish from the prior art; claim 21 is unchanged. The Substitute Specification is amended to correct a word which was misspelled.
